**Answers to the questions from the interested supplier
in open competition "Architectural, landscaping and
visual identity design guidelines for Rail Baltica",
identification number RBR 2018/6**

RB Rail AS presents the following answers to the questions received until 13 July 2018 from the interested suppliers:

| No | Questions | Answers |
|----|---|--|
| 1. | Will participating in this competition will in any way prevent us from participating to further competition for the same project? | There are no foreseen circumstances which shall prevent successful Tenderer to participate in upcoming Procurement procedures regarding design of Rail Baltica railway and its infrastructure, however, Contracting Authority can't guarantee the absence of potential conflict of interests throughout the process of Rail Baltica Global Project implementation or to provide any response on the matter, including to foresee the influence of any upcoming obstacles regarding other subjects than design in this stage of the Procurement. Nevertheless, each such case raised, shall be reviewed separately in accordance with the provisions of the Public Procurement Law of Republic of Latvia. |
| 2. | Which further competitions will be held based on the material delivered by the winner of the present competition? | The deliverables of this study are mainly expected to be used in procurements related to the design and construction. |
| 3. | Is the 200,000 euro the maximum compensation that the team can ask for or there is room for higher financial proposals? | Information regarding estimated contract value was published with the aim to indicate to interested suppliers the scope of the services, and to inform of availability of financial resources of the Contracting Authority for this task. In case when the proposal prices will exceed available financial resources for this Procurement the Procurement commission shall make decision regarding continuation or termination of this Procurement. |
